A Partner you can Trust

Policies and procedures that meet government regulations outlining the expectations and responsibilities of the student, host family and homestay provider.

Best-in-Class Practices

AHN was the first NEAS-endorsed Homestay Service in Australia. We have also received acknowledgement and commendation for 'appropriate' standards from government and industry bodies.

24/7 Care and Support

Our dedicated team has regular contact with hosts and students throughout each placement and will promptly follow up on any concerns raised by the student, host or education provider.

Quality Hosts

AHN hosts are trained to monitor students' wellbeing and report any changes or concerning behaviour. Hosts also enforce specific rules from the education provider (e.g. curfew).

Enhance your Offering

We can tailor our products to suit the age and needs of your students. AHN staff will take your requirements into consideration when organising placements.
